Foreword

You may claim to be reasonably well educated if you can answer these three questions affirmatively:

1. Can you entertain a new idea?
2. Can you entertain another person?
3. Can you entertain yourself?

We talk of "giving" you an education. This is an obvious absurdity. No indulgent parent - surely not our school - can "give" you an education. The best we can do is to give you AN OPPORTUNITY TO LEARN. Galileo, many centuries ago, said it succinctly, "You cannot teach a man anything; you can only help him find it within himself."

Education is more than just the things you learn in classrooms and from textbooks. It covers learning acquired in every way. Remember that no fact ever originated in a textbook. Someone had to discover that fact before it could be put into a book. Experience itself is an education. When you have learned that simple truth, you have traveled a long way on the lane that leads to learning.

So, as you leave school, remember your education neither begins nor ends in the classroom. In a literal sense, no one of us ever "completes" an education, for all life is, or should be, a process of education.

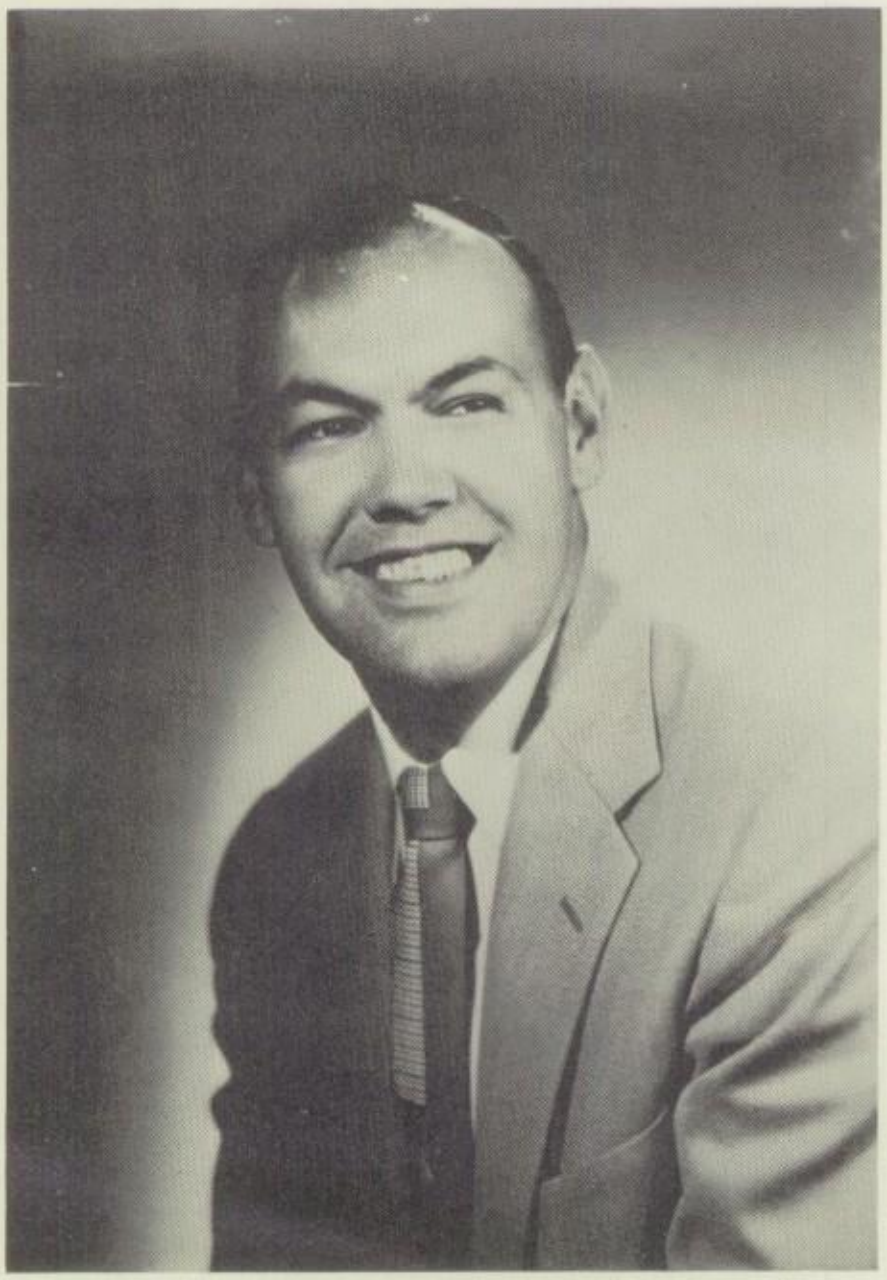
Best wishes to each of you, Class of '65.

Harry N. Hays,
Supervising Principal.

We the Seniors-

With respect and affection, we, the class of 1965, dedicate this yearbook to Mrs. Agnes Shannon and Mr. Robert Forney. We shall long remember their active interest in school life and untiring efforts to promote scholastic and athletic achievements.

Mrs. Shannon



Mr. Forney

Gratefully Dedicate

The impression that they have made upon our lives will never be forgotten by any of us. Because of their understanding and interest they have inspired each one of us to do our best.

SENIOR CLASS HISTORY

For the class of 1965, the fall of 1961 was the beginning of the four most memorable years of our lives. To lead us through our "frosh" year, we chose our class officers separately. They were George Lockey and Guy Saco presidents, Cinda Hubler and Dan Lutz our vice-presidents, Vickie Allen and Eleanor Rusnak secretaries, and Nanette Hubler and Donna Mandel as our treasurers.

Remember how frightened everyone was on those first few days. Would we ever make it through? But as the year progressed, we finally started to fit in-even with the people we envied most, the Seniors.

Coming back as "seasoned veterans," we began our sophomore year. Again, we chose our officers separately: John Kendrick, Tom Krupa, Bill Cuebas, Jay Lutz, Vickie Allen, Mary Kolesar, Shirley Rice, and Jim Simcox.

Don't forget our "Let's Get Together Dance." Remember the broken needle on the record player and the dancing that began at nine o'clock instead of eight. How about the Sophomore skating party and the bumps and bruises we had the next day! Our field trip to Shawville proved to be quite exciting and educational.

In 1963 the New West Branch Area High School was finished and we entered as "Jolly Juniors", united for the first time. Being in the halls of the school during one day in the early part of December, all one could hear was the "oohing and ahing" over the long awaited for class rings. Our class play "The Egg and I" took up most of the time in January and February. Remember all those funny practices with our capable director, Mr. Lingenfelter . . . Just who was the popular janitor who caught us in the act of raiding the cafeteria? On the night of the performance - who was the star who was wearing, of all things, a girdle? Did you know that the chicken escaped from her cage and had to be chased all over back stage?

The evening of the prom with the theme "Moon River" will probably be the longest lasting memory of our high school days. Now is another chance to say thanks to the people who worked so hard to make it the huge success it turned out to be. Last but not least, was the Gettysburg trip. Hershey Park will never be the same!

Leading us through these never to be forgotten events were Tom Krupa - president, Ken Way - vice-president, Judy Folmar - secretary and Tom Coval - treasurer.

In 1964, we entered the hallowed halls of West Branch for our last year. From the very start we were caught up in the bustling activities: senior pictures, yearbook meetings, ordering announcements, class projects, etc.

On the 19th, 20th, and 21st of November, we honored Washington with our presence. We will always remember the fun and excitement of our last trip as seniors.

And don't forget our class play "It's Great To Be Crazy" with Mr. Zinz as our director. Remember our "Crook?" who kept the audience in stitches.

Guiding us through this eventful year were the following people: Tim Feiock, President; Ken Way, Vice-president; Judy Folmar, Secretary; and Vickie Allen, Treasurer.

Yes, Seniors, these are things we will remember all our lives and tell our children and grandchildren. On the night of graduation we realized how much our high school years had meant to us. While waiting for our name to be called before we received our diplomas, we could not help reminiscing the past four years and silently thanking our teachers for all they had done. But we also thought about the future.

We, the class of 1965, are now on our own. "We entered to learn and now go forward to serve."

JUNIOR CLASS HISTORY

As we began the 1964-65 school term as Juniors, we chose the following to lead us: Darlene Ropchock, President; Helen Emigh, Vice President; Nancy Wrye, Secretary; and Verconia Medzie, Treasurer. At our first class meeting the class selected the white carnation tipped red for our flower, red and white as our class colors, and "We have followed, now we lead" for the Class Motto. The year was filled with many exciting events. The class play with all the fun-filled moments, and our Gettysburg trip. And the most important event of the whole year, the wonderful night of the Prom. We shall never forget the anxious weeks and months that we waited for our class rings to arrive. Now as our junior year comes to a close, we are looking forward to becoming seniors.

The Mighty Warriors

A talented and spirited West Branch Senior Varsity football team completed their '64 schedule for the first winning season since the West Branch jointure. Under the superior coaching of Head Coach Ralph Ventresco and Assistant Coaches Frank Lingenfelter and Eugene Dixon, the Warriors showed a final record of 6 wins and 4 losses.

After a 7-6 heart-breaking loss to Curwensville for the opening game, the West Branch "Eleven" came back to edge B. C. I. 26-0. In following games the Warriors bowed to Brookville and Bald Eagle but defeated Penns Valley and Juniata Joint. Then came a thrilling 32-14 upset over Juniata Valley which was followed by a 64-0 trouncing of Gallitzen. This three game winning streak ended, however, after losing to P-O in our usual back yard rivalry.

A 20-0 victory over Moshannon Valley then concluded the '64 season with a very successful and victorious record.

Baseball '64

The West Branch Area baseball team completed a very successful season by compiling a log of seven wins and five losses during the 1964 season. In Moshannon Valley League action, however, the Warriors ended with a seasonal record of three wins and five losses.

The Warriors played a victorious opener by trouncing Juniata Valley, 13-1. They defeated Juniata Valley again for their second bout, but then had to bow to Moshannon Valley and Curwensville. The Warrior diamondmen came back to tally two additional wins against Reade Township and Clearfield St. Francis but lost to Moshannon Valley in a league game.

In following games, the Warriors began a winning streak with three victories against Clearfield St. Francis, Reade Township, and Clearfield. This, however, was snapped when Clearfield and Curwensville defeated the West Branch nine to complete the Warrior schedule.

In Memoriam

Of boyhood's years,
The words of love then spoken;
The eyes that shone,
Now dimm'd and gone,
The cheerful hearts now broken!
Thus in the stilly night,
Ere slumber's chain has bound me,
Sad Memory brings the light
Of other days around me.

The West Branch Class of 1965 dedicates this final page of their yearbook to David English. Dave, whose untimely death occured August 22, 1964, was well liked throughout the school.

A deep loss is felt by his classmates, and he will always be remembered as he is pictured here.
